

ARTWORKS At-A Glance Membership Structure (guidelines)

All members must be juried in by vote of the general membership. All juried members are full, voting members.

General Guidelines (Exceptions will be considered and may result in some changes.)

- The **standard** is one individual exhibit in half of the main gallery for each **red** member each year.
- All members (**red, green, blue**) may exhibit in all Members' Gallery exhibits and in all group shows (usually, at least one per year.)
- Three **red** members may request to exhibit simultaneously in the main gallery, if they wish.
- Special guidelines exist for solo exhibits by a single artist using the entire main gallery.
- New **red** members must be members for six months before having an individual show.
- For **all** members, a six-month commitment to any membership category is required, with two months' written notice to the President before changing membership categories.
